## ZIPGROW™

MODERN FARM EDUCATION  
BECOME A SKILLED HYDROPONIC GROWER

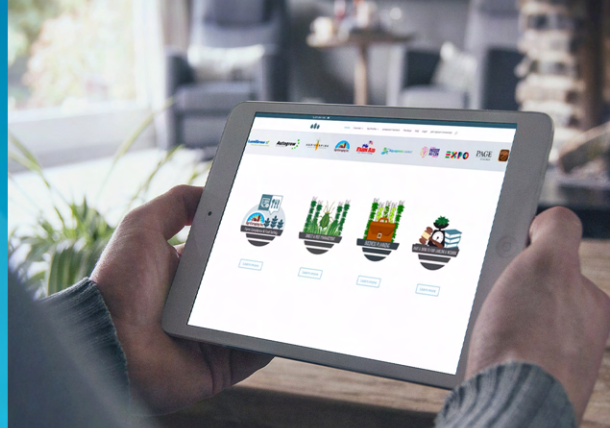

ZIPGROW.COM

We've helped thousands of people to become skilled hydroponic growers through our online educational portal. It's the most comprehensive online course for hydroponic and aquaponics!

## Online Anywhere, Anytime

The platform is designed to be accessed 24/7. Go at your own pace and fit the learning around everyday life. Engaging video lessons, written text and notes, downloadable audio, illustrations, guides, quizzes and assignments.

## Know and Grow

From the fundamentals of hydroponics and aquaponics, through to business planning and economics of operating a productive working farm, UpStart University is the perfect tool for anyone considering climate controlled agriculture as a business.

### Course

Learn how to start the hydroponic or aquaponic farm you've always dreamed of.

### Resources

Maximize your success with downloadable eBooks, guides, and other online tools.

### Support

Get personalized support & guidance. We're real people, not robots.

### Community

Connect with other growers to share ideas and photos, ask questions, and get answers quickly.

Starting at \$9.99US per month - Sign up for a 7 Day free trial today  
New ZipGrow™ commercial farmers receive 12 months of full access for free!
