

# ZIPGARDEN™

HYDROPONIC GARDEN  
FOR HOMES, SCHOOLS, AND SMALL BUSINESSES

SIMPLE, BEAUTIFUL, PRODUCTIVE... NO MATTER YOUR EXPERIENCE

"Having the ability to grow greens year round was one of the main reasons we purchased the Zip Garden...the unit looks great, and having a green space in the living area is refreshing to look at."

- Jack Chapman, New Mexico.

## Simple

Designed by farmers for people with little to no hydroponic growing experience.

## Productive

Grow up to 20 heads of lettuce every 6 weeks, save \$600 + annually on your grocery bill.

## Versatile

Extreme climate? No green space? Busy schedule? The ZipGarden, can grow year round, in your home, condo or apartment.

## Efficient

Harvest the equivalent of a 10x10 ft traditional garden in the convenience of your home using less water and without the mess of soil. No weeding, no pesticides and an electrical consumption equal to less than 2 x 60 watt light bulbs.

**It's a mean green growing machine!**
